URGENT MEETING NOV 8 FUTURE OF CRCM MAY BE IN YOUR HANDS

TO BE DETERMINED: Next years dues, Nomination of 2009 officers, 2009 recruiting drive, Name badges, and other matters that may be important to you. (Meeting starts at 9am)

OCTOBER MEETING AN EYE OPENER. Strong wind brought our attention to the fact the new ramada was not supported enough to prevent a disaster. Emergency steps were taken to improve the situation by reinforcing the leading edge. Hats off to Bill Disney, Doug Dugan and Randy Wegner for taking their time to do the work needed. The center section may also need additional support. If you are at the field when we have another big wind take note and let someone know how well the center section holds up.

ABOUT 2009 DUES. We may need a substantial increase in dues because our runway needs major maintenance. Crack filling and scrapping will be needed prior to applying sealer. At the beginning of 2008 we had a large cash surplus which we will not have the luxury of this year.

A farmer and his wife went to a fair. The farmer was fascinated by the airplanes and asked a pilot how much a ride would cost. "\$10 for 3 minutes," replied the pilot. "That's too much," said the farmer. The pilot thought for a second and then said, "I'll make you a deal. If you and your wife ride for 3 minutes without uttering a sound, the ride will be free. But if you make a sound, you'll have to pay \$10." The farmer and his wife agreed and went for a wild ride. After they landed, the pilot said to the farmer, "I want to congratulate you for not making a sound. You are a brave man." "Maybe so," said the farmer, "But I gotta tell ya, I almost screamed when my wife fell out."
